

Mr. Curtis Greene, Proprietor and Director of Global Protective Services is a twenty plus year law enforcement professional; highly trained in all aspects of protection. Curtis Greene was former Director/Chief of Police at Chattanooga State Community College; other experience includes but not limited to Criminal Investigator Chattanooga Housing Authority; Law Enforcement Officer Chattanooga Police Department.

Curtis Greene established the GPS enterprise with a vision of establishing a security business designed to ensure the safety of individuals who may be exposed to elevated personal risk because of their employment, status, wealth, associations, or locations. This vision became the catalyst for the development of the various types of protection services offered at Global.
